Welcome back, Stingrays!

We hope everyone enjoyed their summer break. The staff at New Ventures are thrilled to see all of our students back in the building and look forward to an engaging and rewarding year ahead.

Congratulations to our 64 graduates from the '21-'22 school year. We wish you success in all of your future endeavors and can't wait for you to come back and visit us.

With new and returning students/staff partnered with revamped community partnerships, fieldwork, and internships, this year promises to be our best one yet. Re-opening our fieldworks and internships this coming year will certainly propel our program to the next level.

New experiences and friendships await as we welcome the '22-'23 school year with open arms! Reminder that the first day of school is a half day on 9/8. Students should arrive to CC3 at 2:45 pm.

Best regards,

Ryan Melis
